We believe that talent is distributed equally, but **OPPORTUNITY** is not.

Using our award-winning curriculum and hands-on activities, we provide in-school reading and math tutoring at high-priority elementary school campuses to help close the opportunity gap.

Beacon Hill is closing the **opportunity gap** in Math for students who need it most!

The percent of students (K-3) performing at or above the 50th percentile on MAP Growth (Math) increased from **9.6%** to **12.6%**.

The percent of students (K-3) who are Hispanic performing at or above the 50th percentile increased from **11.6%** to **16.0%**.

Making a real difference ... one student at a time.
